

GOLDBOD REJECTS 1BILLION GHANA CEDIS OVERDRAFT ALLEGATION AS FALSE AND MALICIOUS

The Ghana Gold Board (GoldBod) has taken note of a claim by the Member of Parliament for Tano North, Hon. Dr. Gideon Boako, that the GoldBod owes the Bank of Ghana an unpaid overdraft of GHS1 billion.

This claim is totally false and forms part of the deliberate and malicious smear campaign against the GoldBod.

For the records, the GoldBod has never at any time since its establishment taken a loan, overdraft or any debt instrument from the Bank of Ghana or any financial institution whatsoever.

The claim attributed to Dr. Gideon Boako is contrived and should be treated with utmost contempt.

We entreat the MP to unequivocally retract and apologize for putting out this falsehood.
